The  
Mastiff

FROM THE SENIORS:

It is with hearts warm with memories that we leave Lyons High School. As a class we've worked side by side for four wonderful years.

We've --- thrilled over class rings, quarreled over plans, cried over football games, and shared secrets with only special people.

Soon we will stand together for the last time. Our hearts will be full of pride, and our eyes will be full of tears. As a final parting gift to all the people who listened, encouraged, and understood, we of the Senior Class of Lyons High School proudly present

*I think you are a sweet girl. I have enjoyed going to school with you. Wish you the best of luck & may God bless you. A friend*

*It sure sure has been fun, ain't it? Let's give 'em the devil next year. You are a very sweet girl and I know I'm gonna miss after next year. You deserve the best! You're tops. Always remember me and our 3rd year and our typing, history & French together. Love ya*

I don't really know what to say or how to say it. We've had some crazy times but I can only remember the good. I'll be glad but I know I'm going to miss them all. Ever since I first met you (when we had a date) you've been a wonderful couple and I could never do anything special. I think you and I are just as much if you'll only give me a chance. I'll be glad but I know I'm going to miss them all. Ever since I first met you (when we had a date) you've been a wonderful couple and I could never do anything special. I think you and I are just as much if you'll only give me a chance.

Love ya!
